

Please refer to the following guidelines for all deliveries to Cheque-Mates P/L.

- The guidelines are set out to protect the health and safety of both your people and ours, as well as ensure the integrity and condition of the stock.
- Packaging and labelling of stock to these guidelines will ensure prompt and accurate processing of deliveries through our systems and will avoid errors in stock identity and handling. All pallets and/or boxes must have identifying labels and accurate item counts.
- Failure to meet these guidelines may result in additional storage and handling charges being applied.
- Any queries regarding these instructions can be directed through to Rodney Frost via rfrost@chequemates.com.au.

## PALLET REQUIREMENTS

- Loose box/carton deliveries of up to 10 boxes/cartons are acceptable. Deliveries of loose boxes/cartons will be transferred onto a Cheque-Mates P/L supplied pallet by the driver at time of delivery.
- All stock must be packed on Australian Standard size, hardwood pallets and must be free of any decay and deformity or sharp protrusions (i.e. nails, splinters etc.).
- Refer Australian Standards AS4068 – 1993 “Flat pallets for materials handling”.
- ***Softwood pallets or skids are unacceptable and the delivery will be rejected.***
- Pallet Size: 1200mm x 1200mm.
- Maximum Height: 1200mm (including pallet).
